Subject: Update on BiOp review timeline

Good afternoon,

I wanted to let you know that I'm hoping to have the second half of the BiOp for your review (along with the first half that you have already reviewed, in case you'd like to reference back during your review) next Monday (4/10), and asking for any feedback by COB 4/19 (Wed).

I realize that many of you have indicated that you have limited availability next week, so I apologize for the delay in getting this draft out to you.

Best,
Emi
